AUTHOR RELEASE FORM

Please agree to the following statements by placing your initials on the line in front of each statement:

____ I would rather not fill in any more forms. Please feel free to post all published work to date and in the future, subject to copyright holder policies, unless I tell you otherwise. (Fill in the rest of this form today. We will periodically check your web pages for new work without requiring further authorization.)

____ I hereby grant to Digital Commons @ New Haven a nonexclusive license to use my intellectual property (citation(s) attached) in Web pages on the Internet and other promotional materials produced, used by and representing Digital Commons @ New Haven. I understand the circulation of the materials could be worldwide and that there will be no compensation to me for this use. Digital Commons @ New Haven will not retain copyright.

____ I warrant that this is my own work as represented, and that it does not contain any libelous matter, nor invade the privacy of any third person or third party, nor otherwise violate University of New Haven policies.

I understand that if we share copyright equally, I have the right to post it without their permission. Nevertheless, I will check with them as a professional courtesy. I will let you know if their response prompts me to withdraw permission.

____ I understand that once published, an item has a record in the system. It can be hidden, but not removed.
